

Dark Sky Committee Unapproved Minutes
October 17th, 2023

Meeting opened at 6:00pm

In attendance: Adam Charrette, Susan White, Sarah Gater

Excused: Bill Collins, Katherine Charrette

Lighting Ordinance:

Adam distributed the new trimmed down version of the lighting ordinance. As a group it was gone through line by line and discussed what should stay, be rewritten, or removed. Some sections were removed completely, and multiple definitions were removed or simplified because they were redundant or no longer pertained.

Adam will take all the notes and edits from the work session and apply them to the document as a new draft.

Susan motioned to adjourn; Sarah seconded.

Meeting adjourned at 7:17 PM.

Respectfully submitted,
Adam Charrette
